PROFILE

I'm a Computer Science undergraduate at BINUS University specializing in Database Technology. I am eager to learn and currently have skills in basic database management, web development, and programming languages. As a BINUSIAN, I have experience as a Freshmen Leader, Freshmen Partner, and the Chairman of Keluarga Mahasiswa Buddhis Dhammavaddhana BINUS University for Alam Sutera area. In my free time, I enjoy doing art-related activities. I believe that technology and art intersect in an exciting ways and I'm eager to show that to everyone through my projects.
